NB. You can allocate the new class to a specific item or group of items in an Estimate, or to a complete **Manufacturers Product Range** in the Database:

To do this, select the Manufacturer Range (**Database/Manufacturer/Select**) then Edit and choose the required Material Class from the drop down list:

•	Manufacturer Details
Name PSA (TEST) Code 9988	
Code 9988 Details Group Names Discounts Pr Image: Select Next Image: Select Image: Select Image: Select Select Image: Select Image: Select Image: Select Select Image: Select Image: Select Image: Select Report Select Image: Select Image: Select Image: Select Report Image: Select Report Image: Select Report Image: Select Report E Select Report Image: Select Report Image: Select Report Image: Select Report E Select Report Image: Se	roducts Documents

Click Save to finish.
